

## **Payment Policy**

This payment policy is part of our terms and conditions. The payment policy only applies to users who have purchased our pro version of OVERSUMO. OVERSUMO pro features can be unlocked via Apple's iTunes store or Android's Google Play store. When purchasing these features, you are automatically subject to the iTunes, Google Play terms of service. For more information about our terms and conditions please go to our terms and conditions page.

### *Payment plan*

OVERSUMO basic version is available for free. To access OVERSUMO pro features, which unlock more in depth statistics and performance evaluations, you will have to pay via an auto-renewing subscription from Apple's iTunes store and Android's Google Play store.

### *Renewals and cancellations*

OVERSUMO pro is purchased via iTunes or Google Play with auto-renewing subscription. Which means your subscription is automatically renewed at the end of the chosen subscription period.

You can change or cancel your subscription at any point in time from within the application or by signing in to your iTunes or Google Play account.

For more details:

iOS: <http://support.apple.com/kb/HT4098>

Android: <https://support.google.com/googleplay/answer/2476088>

When going into the app's account settings you will be able to upgrade to a different subscription or cancel your pro subscription via the native iTunes or Google Play path. For more details [OVERSUMO-support@dojomadness.com](mailto:OVERSUMO-support@dojomadness.com).

### *Refunds*

Your payment is handled by Apple via iTunes and Google via Google Play it is necessary to contact Apple or Google customer service for refunds, as we are not able to process refunds ourselves.

### *Pricing changes*

We may change the pricing plan at our discretion. We will inform you before any changes are made. So you can modify or cancel your subscription before the changes are applied. We

accept no responsibility for any losses you may incur by failing to change your subscription after we have informed you of any changes to the pricing plan.
